

Environmental Policy

Jafferjee Brothers Exports (Pvt) Ltd is one of the leading manufacturer of rubber based products with its utmost commitment to preserve the environment.

We shall meet the compliance obligations related to environment and be committed to protection of the environment with continual improvement through reduction and prevention of wastage, pollution of air, water and land contamination with the utmost dedication of top management and all the employees.

We shall develop a dedicated organizational culture leading for sustainable resource use through awareness and training provided to all the employees.

We ensure that our environmental policy is documented, implemented, maintained and communicated to all the employees of our organization and is available to all the interested parties on request.

Saifuddin Jafferjee
Managing Director
