

BOAT MOORING ABSORBERS

Mooring absorbers are made from EPDM rubber with high tensile strength to stand the toughest out door weather conditions, Ozone and resistant to salt water.

KEY ADVANTAGES

Used as in-line mooring absorbers to minimize stress on the lines and bolts for all types of boating applications providing longer life and comfort.

Available Sizes:

Line sizes	Length
10-12mm	152mm
12-16mm	210mm
16-21mm	255mm
