

TRUCK STRAPS

Complete range of rubber straps for application in truck covers, tents, boat covers, pool covers, and other industrial, agricultural & domestic applications.

Product Application

KEY ADVANTAGES

- JB truck straps are market leader in Scandinavian & Nordic markets and trusted product by dozens of large customers!
- The full range is available in a premium quality natural rubber developed for tensile strength, superior elasticity, dependable stretch recovery and excellent low temperature flexibility.
- In addition the full range is also available in EPDM rubber which offers excellent ozone and weather resistance giving extended service life for customers having more demanding application conditions.
- Standard range is in black colour but also offered for special requirements in white colour and in non-staining options.
